KEY FACTOR

No more jammed starter cords or sweaty frustration because the lawnmower won't fire up. Just turn the key and the Masport 550AL Combo Electric Start mower, \$999, bursts into life. Its Briggs & Stratton 190cc Ready Start engine powers a four-blade cutting and mulching system for cleaner, faster, smoother mowing. masport.co.nz

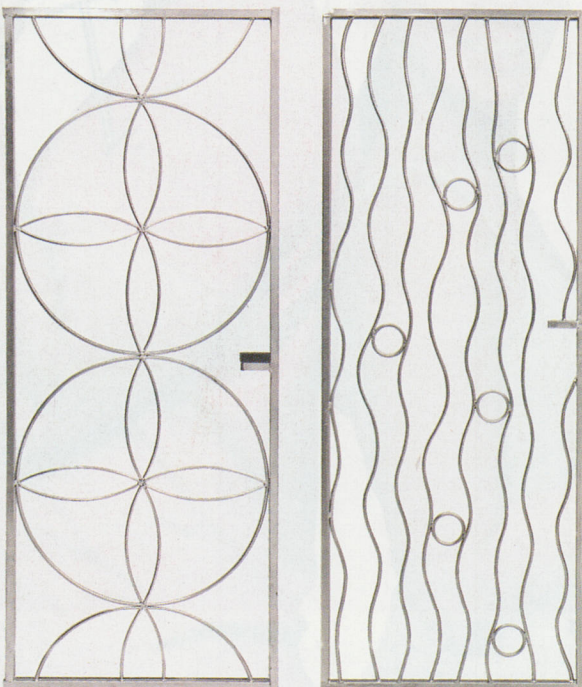

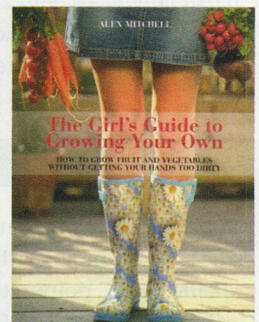

+ DRIVE THEM HOME

Designed for Kiwi workshops, this 10-piece Bahco screwdriver set, \$50, includes two Robertson square drives and eight other common sizes in a polyprop carry case. The screwdrivers have vanadium blades and feature ergonomically designed handles for comfort. www.bahco.com

GIRL GUIDES

Written for busy working women who want to get stuck into simple home improvements, repairs and gardening instead of calling in a pro, *The Girl's Guide to DIY* and *The Girl's Guide to Growing Your Own*, \$40 each, from New Holland, are the ultimate DIY reference tools. newhollandpublishers.co.nz

+ STYLISH SECURITY

Enjoy open-door living and peace of mind with stylish security doors from Dora Doors. Designed by Aucklander Tim Ord, the handcrafted doors come in a variety of designs and are zinc plated, \$690, or powder coated, \$850. doradoors.co.nz
