## Win

The new Masport 550AL Combo Electric Start mower takes the chore out of mowing lawns with a simple electric start ignition. It features new battery technology that is lighter and will start time again on a single charge. The mower features a US manufactured Briggs & Stratton 190cc engine, a lifetime warranty on its catcher and a six years on the rust-proof, heavy-duty aluminum body. See [www.masport.co.nz](http://www.masport.co.nz) We have one mower, valued at \$999, to give away. To enter the draw, email your name and contact details to [living@hos.co.nz](mailto:living@hos.co.nz) with "Masport" in the subject line by Wednesday December 7.
