NZ Fishing World - Summer fun in the sun and big fish; all in the big Nov/Dec issue in store now.

We show you how to catch big fish on small softies, and we go through the key points for fishing the popular channels for snapper. The complicated tackle and techniques for jiggling kingfish are laid bare, and we show you new ways to fish with flasher rigs. The mysteries of mono lines are clarified by our experts, and from how to rig marlin baits and fight game fish to taking jet skis in close to the rocks - it's all there. We look at which outboard motor will suit you, and we reminisce with a top charter skipper.

[Back Issues](#)
