Masport celebrating 100 years

Kiwi company Masport has launched a nationwide search for former employees to join in the celebrations for the company's centenary birthday this year.

Recent Masport figures show that one in every 230 Aucklanders in the past 100 years

has worked at Masport.

The centenary staff reunion will be held on November 28 in Auckland, just days before Masport's official 100th birthday on December 1.

The first draft of a commemorative book is nearing completion and Masport is seeking any

contributions of memorabilia to help convey its story.

Company newsletters and photographs of particular events, especially those from between 1990 and 2010, are of particular interest.
