

XMAS GIFT GUIDE

It's that time of the year when all your adoring fans will be wondering exactly what to get you for Christmas. Here's an idea, why not drop a few subtle hints by circling a few items in our gift guide, and then leave it around the house for all to see. It's so simple, we have even told them exactly where they can buy it. Just our way of spreading some Christmas joy.

Bubble knobs

The finishing touch to any JDM drifter is a bubble gear knob. With over twenty different sizes and colours to choose from there is sure to be one that suits your ride. The bigger the shifter the more it improves the feel of your shifts, so it's not just form, there's some functional improvement too.
