WIN POWER BY 50 CENT!

What do Giorgio Armani and 50 Cent have in common? No, not their Bentleys. Or their guns (possibly). They both have their own fragrance line. Wait a minute; 50 Cent? Yes, *that* 50 Cent.

In between rhymin' and shootin' (and whatever else Mr Curtis James Jackson III gets up to in his 'hood), Fiddy has been busy expanding his empire with the release of this new fragrance for all the players, Power by 50 Cent.

This bold, masculine fragrance is available right now exclusively through Farmers stores nationwide. But forget about queuing at the tills for Christmas pressies, we've got five bottles to give away right here!

WIN A SONY WALKMAN E460!

The new Sony Walkman E460 series looks good and sounds good... especially when you're holding one of your very own. And this month the good people at Sony have given us one to give away!

The E460 boasts up to 50 hours audio playback on a single charge, or up to 10 hours of video playback. Oh yeah, it shows video through a crystal clear QVGA LCD screen, too.

You can just drag and drop files into the unit from any source and the E460 will play a variety of formats, which means you can grab your music from anywhere. Just enter to win!

WIN MASPORT: 100 YEARS IN THE MAKING!

"Rrrrrrrrrrrrrrrrrrrrrrrrrrr!" Ah, the sound of a suburban Saturday morning in summer. A hundred motor mowers puttering their way across lawns of all shapes and sizes, darting around children's toys and family pets. Chances are a good proportion of them will be models from the mighty Masport brand, too.

But there's much more to iconic Kiwi company Masport than the faithful lawnmower; we know because a brand new book celebrating 100 years of Masport's history told us so.

And we reckon this icon of shed culture deserves to be celebrated. That's why we're offering a copy of this fantastic book to giveaway this month! Sit it next to the four-stroke oil in the garage for full effect!

WIN A MONTEITH'S SINGLE SOURCE PRIZE PACK!

Check this out for a unique spin on the usual beer giveaway: we've got two of these rather spesh Monteith's Single Source packs up for grabs valued at $450 each.

Each pack contains a box of Monteith's specially crafted brew, some Monteith's beer glasses and a rather nicely framed print of the Rakaia barley fields where the barley used in this very beer is grown! A wee slice of Kiwiana for your pool-room wall!

Oh, but make sure you're 18 years of age or over before ticking the box to enter (and yep, we *will* check. Aren't we the fun police?).
