BARBECUE RANGE

New Zealand 2022/23

Outdoor Living

With over 112 years of innovation, Masport has grown to become a market leader for outdoor garden and lifestyle products. Synonymous with quality and reliability, the brand has been trusted by Kiwis for generations. Due to ongoing success Masport is sold in over 45 countries worldwide and continues to develop outstanding products that has been recognised by gaining the Highly Commended Trusted Brand for barbecues for the last 5 Years.

Regardless of whether you want a barbecue to be the centrepiece of your outdoor entertaining area or you simply need something to sizzle up the steak and sausages at the flat or holiday home, Masport has the right model to suit your needs and lifestyle.

Barbecue Features

4 BURNERS

Four stainless steel main burners provide power and even heat distribution over the cooking surface.

6 BURNERS

Six stainless steel main burners improve heat distribution over full cooking surfaces.

SIDE-BURNER

Side burner provides a hob type option when required.

TEMPERATURE GAUGE

Temperature gauge keeps you in control when pre heating and roasting.

HOOD WINDOW

The safety approved glass window is integrated into the hood allowing a full view inside the barbecue without having to open, maintaining heat integrity.

BARBECUE COVER

Comes with UV resistant Oxford cover.

ROTISSERIE

The rotisserie can use direct heat off the rear infrared burner and indirect heat from the main burners for even roasting.

INTERCHANGEABLE COOKING SYSTEM

Unique to Masport, the Interchangeable Insert Cooking System extends your cooking options with grill and hotplate inserts; kebab racks and skewers;

FAT AWAY DRAINAGE SYSTEM

Unique to Masport, the Fat Away Drainage System (FADS) helps to efficiently direct away excess fats, oils and unnecessary juices along specially designed channels and into a collection tray.

KEBAB RACKS & SKEWERS

Stainless steel kebab racks and skewers provide an easy way to turn food on the grill without sticking.

304 STAINLESS STEEL

304 stainless steel provides a modern and stylish finish with extra protection against the elements.

TIMER

Cooking timer allows you to set your desired cooking time and the alarm reminds you when time is up.

LED DASH AND GRILL LIGHTS

Whether it's on the control knobs or the dash, the bright LEDs will improve visibility in a very stylish way.

SMOKER TRAY

Smoking is a very popular option when roasting or dedicated hot smoking. The integrated smoker tray is easy to prepare and runs off the barbecue burners.

USB PORT

USB ports allow your devices to be charged or powered up whilst using the barbecue. Especially useful if running cooking probes and other accessories requiring power.

REAR BURNER

Rear infrared burners are great for direct radiant heat with rotisseries but are also useful for grilling and browning off barbecue food.

NATURAL GAS CONVERSION

A natural gas conversion kit is available to run your barbecue from mains natural gas.

WOK BURNER

Wok style of burner provides versatility.

Maestro Series

Spice up your outdoor space with a contemporary coloured barbecue, featuring reliable and outstanding performance, you know you'll look great while entertaining with the Maestro range.
